

HELP A CHILD GIVE A BEDKIT

Thanks to Aktion Club's service initiative, you can help a child in need. With Sleeping Children Around the World, a donation of **\$35 (U.S. or Canada)** provides a bedkit—a package with bedding, clothing, a mosquito net and school supplies. Since 1970, SCAW has provided bedkits to more than 1 million children in 33 countries. Your Aktion Club is encouraged to give—through member generosity and fundraising activities.

WHY SCAW?

A gift to SCAW is an effective and reliable way to help children in need.

- Your entire donation helps improve a child's life. None of it pays administrative costs.
- To recognize your donation, a photo of the child or children who received your bedkit(s) will be mailed to you within 4 to 6 months.
- SCAW is a trusted organization. Aktion Club has been committed to its service initiative with SCAW since 2006, and the Kiwanis family's relationship extends even further. In 1988, SCAW founder Murray Dryden received the Kiwanis World Service Medal. SCAW itself was honored in 2010.
