

MAKE FRIENDS AND MAKE THE WORLD BETTER.

Aktion Club is a club for adults with disabilities who want to make a difference in our community. We take turns managing projects and our club so we can learn how to lead as we serve others. We work together to decide what projects we want to do and how we want to do them.

Helping others ends up helping us too. We learn how to lead and make things happen. We discover how to work with each other and bring out the best in one another. Best of all, we make friends who care as much as we do about creating a better community.

EVERYONE IS WELCOME IN AKTION CLUB.

We hope you will come to one of our club meetings and check out what we do. We need good people like you.
