DRAW YOUR WAY TO BETTER HEALTH

Regular exercise helps relieve stress and ensures that the body and brain work at peak performance. Sticking to a workout schedule can be challenging. If we integrate exercise into each day, it becomes part of our routine. Here are links to exercise resources and a fun drawing/coloring tool to track your progress. Encourage club members to participate with the approval of a parent or guardian and incorporate an exercise/drawing challenge. Better yet, club members can get the entire family involved.
