3 FUNDRAISING IDEAS

Supplies for service projects and social activities are an annual expense for clubs. To help ensure your club has the resources it needs, here are some ideas for raising money and requesting items:

- **Create and sell something.** Ideas include flower arrangements in vases; decorated bags of squirrel feed; holiday cards or ornaments; baked goods; glitter cork coasters; and painted rocks with positive messages.
- **Hold a fundraising event.** Host a silent auction. Ask a local Key Club to host a penny drive for your club. Hold a car wash. Organize a yard sale. Host a walk-a-thon. Organize a seniors dance and then sell tickets.
- **Find a business sponsor.** Ask a restaurant or other local business (for example, a bowling alley) to host an Aktion Club night — with a percentage of sales donated to your club. Ask a company to match gifts that your club receives during a fundraiser. Ask an art store to donate project supplies. Ask a business to donate space for an event. Ask a grocery store to donate meeting snacks.

KIWANIS CHILDREN'S FUND CLUB GRANTS

Through the Club Grant Program of the Kiwanis Children's Fund, a Kiwanis club can apply for a grant if it meets particular requirements. For example, the project must be Kiwanis-led — meaning that 50% or more of the work is performed by Kiwanians or Kiwanis family members. That's where Aktion Club comes in!

If your Aktion Club assists its sponsoring Kiwanis club with a recurring service project that addresses one or more of the [Kiwanis cause areas](#), talk to your sponsor about a club grant. The Children's Fund awards grants twice a year. Learn more about the program now — including deadlines and requirements.
