WHICH AWARDS WILL YOU ENTER?

It's time to get started on Aktion Club awards planning! At your next club meeting, go over information in the [Aktion Club Award and Contest Guide](#). Learn what to include in entries, rules to participate and how entries are scored. Then decide which awards and contests your members want to participate in — and make a plan! Include who will be responsible for working on each entry and what steps to take to get them done by the deadline on **Tuesday, September 15, 2026**.

Remember, any club can earn a Single Service Project Award and Distinguished Club or Honor Club award by earning enough points — see the guide and the [Annual Achievement Report](#) to learn more. The contests are competitive, and Kiwanis International will choose one

winner in each category. Learn more about contests in this newsletter. Need additional tips? Watch our video, [Aktion Club Advisor Chat on Awards](#).
