LEADERSHIP CORNER

Encourage your Aktion Clubs to pay their dues. This also involves updating their member rosters and officer information in Kiwanis Engage. Advisors can follow the renewal steps found on the frequently asked questions webpage. The renewal deadline is December 1. But remember: Clubs that renew by November 1 will receive an early dues banner patch!

SELLING STUFF, RAISING MONEY FOR KIDS

Aktion Club of Brantford had a good idea this year: Help people clear out their closets while helping kids get safe. In August, the club held its first Good Stuff Trunk Sale with registration fees benefiting the Children's Safety Village. The organization provides safety education for primary and elementary school students in Brantford, Brant County and Six Nations of the Grand River in Ontario, Canada.

HALLOWEEN WITH A BIGGER PURPOSE

This Halloween, Aktion Club members can make their trick-or-treating count by joining Trick-or-Treat for UNICEF. It's an easy way to turn a night of costumes and candy into real help for children around the world.

The money they collect goes to Start Strong: Zambia, Key Club's signature project supporting UNICEF's early childhood development work in Zambia. It builds insakas — community centers made from sustainable materials. Each one gives children and families a place to learn, play and grow. Clubs that collect and turn in US$250 by December 31 will receive a banner patch!

Last year, Aktion Club helped Key Club members raise US$86,955. That paid for two insakas, each with a classroom and a playground. With your club's help, we can build even more this year!
